Apostle Islands Cruise Service (AICS) is authorized by the National Park Service and U.S. Department of the Interior as a park concessioner to serve the public within the Apostle Islands National Lakeshore.

AICS offers a variety of narrated sightseeing cruises, island shuttles, and charter trips to islands and offshore locations throughout the national lakeshore. The most popular is the 3-hour “Grand Tour” which travels through the heart of the Apostle Islands archipelago.

Daily shuttles provide visitors with boat transportation services to specific islands, where you can visit a lighthouse, hike, picnic, bird-watch, or explore natural and cultural areas on your own.

Other cruises are available in the afternoon and evening with the opportunity to see sunsets, sea caves, and lighthouses. For a complete schedule of this year's cruise offerings, visit their website at www.apostleisland.com.
